Your Voice Counts*

about Children's Environmental Health

What resources are there to make homes healthy in our city?

How do I recognize health risks in my home?

Wed. October 22

6:00 pm

Self-Help Center

122 N. Elm St (8th floor
conf room)

discussion & light dinner

What is GHC doing to help children have a safe place to live?

How can I support GHC's advocacy for healthy homes?

Brian Maas

(Environmental Consultant Service)

GHC's program for children's environmental health

Your comments, questions, ideas

Your hosts: Mary Nelle Smith & Mike Moehlenkamp

RSVP required: 691-9521

* Your Voice Counts is a new monthly discussion program the 4th Wed of each month. Future topics will include rental housing, homeownership, homelessness—and you can recommend topics!
